PROFESSIONAL EXPERIENCE

Amentum

San Antonio, TX 78226

Jan 2023 - Present

Course Coordinator

- Coordinate day-to-day administrative and course operations supporting 300+ students annually across local and remote locations while maintaining security-sensitive student records.
- Continuously optimize documents, tools, and workflows to streamline processes and increase accuracy.
- Proctor ACE accredited high-stakes security sensitive exams by presenting testing room logistics, ensure student integrity during examinations, and immediate issue resolution directly with our teams.
- Partner with other teams to review and update course materials, ensure usability, quality assurance testing, and updating audio content for the security sensitive Learning Management System (LMS).

Anne Arundel Medical Center

Annapolis, MD 21401

Sept 2021 - Jan 2023

Medical Laboratory Technician

- Processed, analyzed and documented clinical microbiology specimens while maintaining accurate confidential patient and laboratory records in the Laboratory Information System (LIS).
- Maintained detailed quality-control documentation and communicated time-sensitive and critical findings to physicians and healthcare staff in a regulated clinical environment.
- Collaborated in developing Standard Operating Procedures (SOPs), validated equipment performance, trained new staff, and managed lab inventory to ensure efficient workflow within a high-volume clinical laboratory.

T-Mobile Wireless Communications

Hanover, MD 21076

Oct 2009 - Sept 2021

Customer Loyalty Leader

- Led and supported teams across 12 retail locations with 100+ employees, coordinated sales and operational training, deescalated customer concerns, and communicated corporate expectations.
- Worked with store and regional leadership to identify performance issues, implement process improvements, and reported overall store success while in compliance with company standards.
